

Certificate of Compliance RoHS y REACH

2011/65/EU (RoHS II). Restriction of dangerous substances.

We hereby certify that all our products are in full compliance with the Directive European RoHS 2002/95/EC (RoHS I) and its subsequent amendments 2011/65/EU (RoHS II).

Homogeneous part materials that comply with this legislation have less than 0.1% by weight each of lead, mercury, chrome hexavalent chromium, PBB and PBDE, and 0.01% by weight of cadmium.

In situations where an exemption applies, the above limits, corresponding to the exempt substance(s), may be higher

(EC) NO 1907/2006 (REACH).

Registration, Evaluation, Authorization and
Chemical Restriction

We hereby also certify that none of our products contain Substances of Very High Concern (SVHC) listed by the European Chemicals Agency (ECHA) in accordance with the provisions of Regulation (EC) No 1907/2006 of the European Parliament and of the Council on Registration, Evaluation, Authorization and Restriction of Chemicals

(REACH) according to ECHA 12/20/2010 and previous updates and including Regulation (EU) no.2015/830 of May 25, 2015, which modifies Annexes II and III

We will continue to monitor the status of the candidate list (SVHC) as required by the Article 33 of REACH to inform recipients and consumers of the products if any substance or preparation in an article contains more than 0.1% by weight per article of any substance to be added to the SVHC candidate list in the future.

If all specified limits are met, we confirm that all products comply with these directives.

We periodically carry out a review to approve and comply with the directives
